U.S. Steel Corp.	US
Walter Kidde Company	WK  WK & CO      M1125, M4916
Warren Brazing Co.	
Weatherhead	WCO
Western Sales & Testing Inc.	AMA
Worthington Cylinders	 WII      M5659, M8004, M4111, M4543, M4875

## INDEPENDENT INSPECTION AGENCIES (IIA)

Not to be confused with cylinder manufacturer markings. When cylinders are manufactured, they must be tested by an IIA who may also mark the cylinder with their symbol marking. These markings do not need to be recorded.
